

COMPATIBLE WITH MILLENNIUM G2/SLIM MODELS

Installation Instructions

1. Remove the magazine and check that the firearm is unloaded before installation.
2. Remove slide from the frame of the gun, then separate the barrel from the recoil spring. Refer to the Taurus Instructions Manual.
3. Remove the slide cap from the slide. Do this by pushing forward the plastic firing pin sleeve with a small punch (Pic 1). Once the firing pin sleeve is depressed slide out the slide cap with your thumb.
4. Install the provided slide cap by depressing the firing pin sleeve with a small punch while sliding the slide cap into the slide (Pic 2). Then attach the slide to the gun. Refer to the Taurus Instructions Manual.
5. Attach the clip to the slide cap with the provided screws and allen key. Before use, check to make sure that all functions of the firearm work and that you can handle the firearm safely.
