

**COMPATIBLE WITH M&P 9MM .40 .45 MODELS  
(NOT COMPATIBLE WITH M&P SHIELD MODELS)**

## Installation Instructions

1. Put on eye protection. Remove the magazine and check that the firearm is unloaded before installation.
2. Remove slide from the frame of the gun, then separate the barrel from the recoil spring. Refer to the M&P Safety and Instructions Manual.
3. Remove the slide end cap from the slide. Do this by pushing forward the plastic striker guide with a small punch (Pic 1). Once the plastic striker guide is depressed slide out the slide end cap with your thumb (Pic 2).
4. Install the provided slide end cap by depressing the plastic striker guide with a small punch while sliding the slide end cap into the slide (Pic 3). Then attach the slide to the gun. Refer to the M&P Safety and Instructions Manual.
5. Attach the clip to the slide end cap with the provided screws and allen key. Before use, check to make sure that all functions of the firearm work and that you can handle the firearm safely.
